## Effective employment services

*Hiring employees, providing job training and supporting retention efforts takes time and expertise to ensure success. Our experienced team can help.*

### The Careworks advantage

Since 1996, Careworks has provided vocational services to assist with employment evaluations and assessments, and job placement, training and retention efforts. Our goal is to develop long-term relationships with employers and participants by consistently delivering best-in-class services that exceed customer expectations.

Our creative, enthusiastic and well-qualified vocational specialists are available to assist employers with the hiring process, as well as job training and retention.

### Valuable benefits for employers

We can help you find the right candidate for your unique positions. Here are some of the key benefits of our services:

- Pre-screening steps help ensure candidates are qualified to perform expected job tasks
- Community-based programs allow you to “try out” candidates prior to making a final hiring decision
- Job placement services provide you with potential employees to assist in filling your open positions
- Job training/coaching assistance helps develop work skills, allowing you or your staff to spend less time training new employees
- Job retention support helps you retain selected employees
- All services are offered to you at no charge
