

Effective employment services

Hiring employees, providing job training and supporting retention efforts takes time and expertise to ensure success. Our experienced team can help.

The Careworks advantage

Since 1996, Careworks has provided vocational services to assist with employment evaluations and assessments, and job placement, training and retention efforts.

Our goal is to develop long-term relationships with employers and participants by consistently delivering best-in-class services that exceed customer expectations.

Our creative, enthusiastic and well qualified job developers are available to assist employers with the hiring process, as well as job training and retention.

Comprehensive employment services

We can help you find the right candidate for your unique positions. Here are some of the key benefits of our services:

- Pre-screening steps help ensure candidates are qualified to perform expected job tasks
- On-the-job training and internship experiences allow you to “try out” candidates prior to making a final hiring decision
- Job placement services provide you with potential employees to assist in filling your open positions

- Job training assistance helps develop work skills, allowing you or your staff to spend less time training new employees
- Job retention support helps you retain selected employees
- All services are offered to you at no charge
- You may be eligible for incentives for hiring a Careworks candidate

About Careworks

At the heart of any organization are its people. When one of your employees is out of work for illness or injury, Careworks is there, ready to help them on their return to health, work and productivity. By providing the right care and coordination solutions – from clinical case management to networks and support – along with the best treatment and cost oversight, we’re driving better outcomes for your injured workers. And that means better outcomes for you.
